TRAINING ANNOUNCEMENT

Behavioral Threat Assessment
Preventing the Active Shooter
March 24, 2020 | 0800 - 1700 HOURS
San Diego, CA

Course Description:
This course is designed to equip law enforcement and security stakeholders with the skills and tools necessary to identify potentially violent individuals, assess the risks they pose of engaging in violence, proactively manage the risk, and prevent violent attacks that include active shooter events.

Course Objectives:

- Effective threat management strategies.
- Fundamentals of behavioral threat assessment.
- Techniques for conducting behavioral threat assessment interviews and interrogations.
- Application of behavioral threat assessment techniques in a variety of contexts and environments including (but not limited to) the workplace, schools, places of worship, and all other potentially vulnerable areas in the community.

Course Length: 8 hours

Target Audience/Discipline: This instruction is designed for first responder personnel (Law/Health/Fire) who will be functioning as a TLO within the SD-LECCs operational area.

Cost: All training and course materials are FREE.

Location: San Diego, CA (Location and address of this event will be provided when student registration is confirmed.)

Registration: Register online at www.SD-LECC.org (Click on TRAINING)

Course Certifications: POST, STC Certified. (STC Cert #: 10322-082703),
This course is Eligible for 8 EMS (EMT's & Paramedics) Continuing Education Units (CEU's) at no charge

All registrations will be placed on a waiting list while attendees are being vetted. Upon acceptance of application an email notification will be sent.
